Stellite bar

Ideal for use on very soft and abrasive materials such as tuff, ytong, gasbeton, limestone.

Stellite bar thk. 1,6 cm 43
for chain 59 links

Cod. EBAR-ST01 € 120,00

Stellite bar thk. 1,6 cm 53
for chain 68 links

Cod. EBAR-ST08 € 123,00

Stellite bar thk. 1,6 cm 63 for E21
for chain 77 links

Cod. EBAR-ST09 € 144,00

Bar with roller

The bar with roller guarantees the machine less effort during the cutting phase. The roller decreases friction and consequently the elongation of the chain.

Stellite bar thk. 1,6 cm 20
for chain 36 links

Cod. EBAR-RU01 € 103,00

Stellite bar thk. 1,6 cm 30
for chain 46 links

Cod. EBAR-RU02 € 106,00

Stellite bar thk. 1,6 cm 43
for chain 59 links

Cod. EBAR-RU03 € 109,00

Stellite bar thk. 1,6 cm 53
for chain 68 links

Cod. EBAR-RU04 € 111,00

Stellite bar thk. 1,6 cm 63 for E21
for chain 77 links

Cod. EBAR-RU05 € 176,00

Replacement roller for bars

Cod. EACC-0004 € 73,00

Cod. EACC-0012

€ 98,00

Pocket chain breaker

Cod. EACC-0014

€ 75,00

COMER E51

Electric chainsaw for wood - 2300W

The COMER E 51 manual electric saw is the result of COMER's experience in the field of electric machines for cutting wood. It represents a safe and reliable tool for the user, guaranteeing a fast and precise cut. The gearbox completely in cast aluminum guarantees resistance to accidental impacts. Unlike most electric saws on the market, the E51 is produced with a vertical motor and makes the machine perfectly balanced, this means that the operator is at ease even in the most demanding jobs. In the event of a kickback or operator negligence, the COMER safety brake stops the chain in 1/10 of a second.

motor type	single-phase double insulation
voltage	230v-50hz
power - w/hp	2300w/3.1hp
number of revolutions	5500 g /1'
weight without bar and chain	7,6 kg
motor protection switch	equipped with thermal switch - manual motor protection switch
dimensions	880x190x320 mm
safety	chain brake safety
pinion pitch	3/8

Chain saw E51 (2300 w)
with 45 cm bar and chain

cm 45

Cod. EE51-IR02

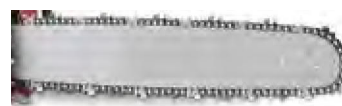

€ 993,00

STANDARD EQUIPMENT:
