

GASOLINE

ASPID

20 L/min @ 140 Bar Engine 9 Hp - Recoil starter

SUPER ASPID

30 L/min @ 140 Bar Engine 13 Hp - Recoil starter

ASPID B

30 L/min @ 140 Bar Engine 14 Hp - Recoil and electric starter

- *Stainless steel frame*
- *All parts suspended on anti-vibration shock mounts*
- *Quick couplers installed on impact free swivel fitting*
- *High efficiency oil cooling system with centrifugal fan*
- *Central lifting hook*

ASPID is a three models power packs range with gasoline engine that have same size and minimal difference in weight due to the various engines installed and to the hydraulic output power. These machines have excellent transportability, robustness, quietness, reliability and a superior construction quality that guarantees the best performance in the more damaging applications. For these characteristics the **ASPID** range is the best selling and the more commonly power packs used in the maintenance of underground pipes, in rescue civil protection and in all application where is necessary a professional hydraulic power supply.

Available with different hydraulic power depending on request.
